## CITY COUNCIL AGENDA • MARCH 7, 2022

Regular Meeting

Sullivan Chamber 5:30 PM

Cambridge City Hall, 795 Massachusetts Ave, Cambridge, MA 02139

### I. CITY MANAGER'S AGENDA

1. A communication transmitted from Louis A. DePasquale, City Manager, relative to a recommendation that in accordance with the requirements of the Massachusetts School Building Authority (MSBA), the Cambridge City Council adopt an order for the Statement of Interest Form for the replacement of the Amigo School building roof.

*CMA 2022 #37*

There was discussion about the age of the Amigos School building, which is one of the oldest in the City. It was noted that the roof is the most pressing repair at this time, and in the future after the Tobin School construction is completed, more funds can be directly allocated to the Amigos School building for other necessary repairs.

This item was adopted.

2. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of the Emergency Management Performance Grant from the Massachusetts Emergency Management Agency in the amount of \$39,600.00 to the Grant Fund Fire Extraordinary Expenditures account which will be used to support the purchase of a new vehicle for the Emergency Preparedness and Coordination office.

*CMA 2022 #38*

It was asked if an electric vehicle was considered for purchase instead of the hybrid that was picked out. Councillor Nolan exercised her Charter Right on this item, halting all discussion until the next regular Council meeting on March 21, 2022.

3. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of MASSCAP Inc. funds in the amount of \$1,665.38 to the Grant Fund Human Service Programs Other Ordinary Maintenance account which will be used to provide assistance to Cambridge and Somerville residents with natural gas heating bills.

*CMA 2022 #39*

This item was adopted on the consent agenda. No discussion took place.

4. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of a grant from the MassHire Metro North Workforce Board for \$74,847.11 to the Grant Fund Human Service Programs Salary and Wages account (\$29,939.00) and to the Grant Fund Human Service Programs Other Ordinary Maintenance account (\$44,908.11) which will be

used to reimburse the City for salary and program costs associated with enrolling income-eligible youth in the Mayor's Summer Youth Employment Program.

***CMA 2022 #40***

This item was adopted on the consent agenda. No discussion took place.

5. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of the Low-Income Home Energy Assistance Program (LIHEAP) grant in the amount of \$348,301.00 funded by the Commonwealth of Massachusetts Department of Housing and Community Development to the Grant Fund Human Service Programs Other Ordinary Maintenance account which will be used for DHSP to operate LIHEAP serving Cambridge and Somerville.

***CMA 2022 #41***

There was discussion about ensuring that low-income families can heat their homes in an environmentally friendly manner through this program.

This item was adopted.

6. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of funds for the College Success Initiative from the Cambridge Housing Authority for \$12,500.00 to the Grant Fund Human Service Department Programs Salary and Wages account which will be used to support a portion of the salary costs for one of the college success coaches who works with students attending Bunker Hill Community College.

***CMA 2022 #42***

The college success coaches are paid through a grant agreement called Stillworks that the City has been in partnership with for years. This allows the success coach salaries to be partially paid for by the grant, and partially paid for through the City's salary fund.

This item was adopted.

7. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of the Children's Trust Fund grant for the Center for Families program in the amount of \$53,000.00 to the Department of Human Service Programs Salary and Wages account (\$12,350.00), to the Other Ordinary Maintenance account (\$26,400.00), and to the Travel and Training account (\$14,250.00) which will be used by the Center for Families to support family programs targeting parents of children up to eight years, which include a variety of family support and parent education programs and resources.

***CMA 2022 #43***

This item was adopted on the consent agenda. No discussion took place.

8. A communication transmitted from Louis A. DePasquale, City Manager, relative to Awaiting Report Item Number 21-42, regarding a report on reviewing Cambridge's corporate contracts and purchases to identify any vendors or manufacturers whose products are used to perpetuate

violations of International Human Rights Laws and Cambridge's policy on discrimination.  
*CMA 2022 #44*

This item is in response to this policy order that was passed in May of 2021 that asked the City Manager and Purchasing Department to review all corporate contracts to identify those who violate human rights. It was also decided that the goal of the original policy order was to make sure the City is not blindly supporting companies who are doing bad things.

This item was placed on file.

9. A communication transmitted from Louis A. DePasquale, City Manager, relative to a request from the Massachusetts Department of Conservation (DCR) to reactivate the parking meters installed last year on segments of Memorial Drive near the Massachusetts Institute of Technology and along Cambridge Parkway.

*CMA 2022 #45*

A question was raised about the City's involvement with these parking meters. It is required by law for the governing body to approve the reactivation of the parking meters, so that is why this request came before the Council. A question was also raised about split revenue with the DCR, and it was shared that split revenue has not yet been talked about, but is an option that could be explored.

Councillor Azeem exercised his Charter Right on this item, halting all discussion until the next regular Council meeting on March 21, 2022.

10. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the transfer of \$75,000 from the General Fund Traffic, Parking and Transportation Salary and Wages account to the General Fund Traffic, Parking and Transportation Travel and Training (Judgment and Damages) account to cover current and anticipated medical services and/or prescription reimbursement costs for the remainder of the fiscal year for Traffic and Parking personnel injured in the performance of their duties.

*CMA 2022 #46*

This appropriation is for medical expenses that must be covered under Worker's Compensation for Traffic, Parking & Transportation employees who get hurt while working.

This item was placed on file.

11. Transmitting Communication from Louis A. DePasquale, City Manager, relative to the appropriation of \$730,000 from Free Cash to the General Fund Traffic and Parking Department Other Ordinary Maintenance account (\$700,000), and to the General Fund Traffic and Parking Department Extraordinary Expenditures account (\$30,000) for additional costs associated with the implementation of the Cycling Safety Ordinance.

16. A communication transmitted from Louis A. DePasquale, City Manager, relative to a request to move to Executive Session to discuss the purchase, exchange, lease or value of real property as discussion in an open meeting may have a detrimental effect on the negotiating position of the

public body.  
*CMA 2022 #52*

The City Council moved to Executive Session to discuss this matter privately, as an open meeting discussion could negatively impact the negotiation process.

The rules were suspended to bring late policy order #1 forward for discussion.

*Late Policy Order #1:*
